Sen. Cassis honored by Metro Detroit Building Owners and Managers Association

LANSING – The Building Owners and Managers Association of Metropolitan Detroit on Friday named state Sen. Nancy Cassis, R-Novi, Legislator of the Year.

“This award is particularly special coming from such a prestigious organization,” Cassis said. “It is very affirming to have my hard work recognized in this way.”

Cassis was honored for her support of business issues, her work towards economic and job recovery and her opposition to the early collection of the county property tax.

“We applaud Senator Cassis for her long service to the people of Michigan,” said Bruce Babiarz, co-chair of the BOMA Government Affairs Committee. “She has demonstrated leadership and – perhaps more importantly – ‘backbone’ by standing by her convictions on important issues even when they against the party line. We thank her for supporting BOMA on key issues in Lansing.”

The award was presented at the Third Annual BOMA Awards Gala Friday night in Troy.
